# HONG KONG CORE CARDIOLOGY CERTIFICATE COURSE II

## ORGANIZING COMMITTEE

- Dr. LAU Yuk Kong (Chairman)
- Dr. TSUI Kin Lam (Co-chairman)
- Dr. WONG Chi Yuen, Eric (Co-chairman)
- Dr. CHAN Chi Kin, William
- Dr. CHAN Yu Ho
- Dr. Thomas TUNGGAL (Co-chairman)
- Dr. CHAN Ngai Yin
- Dr. WONG Shung Yee

## BACKGROUND

One of the most important missions of Hong Kong College of Cardiology (HKCC) is to promote the training and standard of our cardiology professionals so as to translate into better clinical patient care.

In view of the vast and tremendous explosions in knowledge with ever increasing new advances, it is becoming increasingly difficult for cardiologists and fellow trainees to stay abreast and keep up to date on core knowledge as well as new advances.

However, the crust of quality patient care depends highly on core clinical knowledge and experience. Therefore, HKCC determines to launch this first-of-its-kind certificate training course. We are pleased to have Hong Kong Public Hospital Cardiologists Association (HKPHCA), which shares similar aims, to co-organize the course.

## GOAL

The goal of the course is for our cardiology professionals to enhance their core cardiology knowledge and skill in day-to-day clinical practice.

## COURSE DESCRIPTION

The Course consists of 9 modules, each of one-day duration, over the period of 3 years. It provides a comprehensive broad base and up-to-date review of clinical diseases and the management. Topics will include general cardiology, coronary artery disease, arrhythmia, valvular & pericardial disease, heart failure & cardiomyopathy, congenital heart disease, hypertension, perioperative consult, clinical electrophysiology, core echocardiographic & interventional knowhow & tips, critical cardiac care, and pearls of wisdom from the experts. Approach to common symptoms, intelligent use of investigations and tips & tricks in intervention & device usage will be highlighted. The course also serves as good review for trainees to prepare for cardiology examinations. All cardiologists in clinical practice will benefit from the course.

## TARGET PARTICIPANTS

Cardiology trainees and cardiologists are both welcomed. Due to limited capacity to allow more interaction, cardiology fellows in training will have priority for enrollment.

## CERTIFICATION

A short examination will be held at the end of each module. Delegates passing the examination will get a certificate of that module. Upon completion and passing examination of at least 6 out of 9 modules, delegate will get a certificate for the course.

## REGISTRATION

Registration fee of HK\$200 per head per module would be charged (for HKCC/ HKPHCA members, subject to availability). Cardiology member trainees followed by fellows of HKCC/HKPHCA will be given priority for registration before 31 August 2024. If delegate pass an exam of a module, his/her registration fee for the next module that he/ she enrolls will be waived (i.e. not necessarily the subsequent module), subjected to successful enrollment under the limited seat capacity. Please scan the QR code and make your registration online. Successful registration will be confirmed by email.

# HONG KONG CORE CARDIOLOGY CERTIFICATE COURSE II

## Module 6: "Hypertension, Preoperative Consult, Cardiac Rehabilitation, Miscellaneous Diseases & Heart"

15 September 2024 (Sunday) | Cordis Hong Kong

Program Co-Directors: Dr. CHAN Chi Kin, William, Dr. LAU Yuk Kong, Dr. Thomas TUNGGAL, Dr. WONG Shung Yee

TIME	TOPICS	SPEAKERS
08:30 – 09:00	Registration Starts	
09:00 – 09:05	Opening Remarks	Dr. CHAN Chi Kin, William
<b>Session 1 - Systemic Hypertension</b> Chairpersons: Dr. CHAN Chi Kin, William, Dr. KO Tak Him, Patrick		
09:05 – 09:25	Diagnosis and Assessment: Case-based Illustration	Dr. WONG Shung Yee
09:25 – 09:45	Lifestyle Modifications and Pharmacological Treatment of Hypertension	Prof. CHEUNG Man Yung, Bernard
09:45 – 10:05	Assessment of Resistant Hypertension and It's Management	Dr. FUNG Chi Yan, Raymon
10:05 – 10:25	Management of Hypertensive Emergencies	Dr. CHAN Kam Tim
10:25 – 10:40	Q&A Session	
10:40 – 11:00	Morning Break	
<b>Session 2 - Peri-Operative Cardiac Consultation; Cardiac Rehabilitation</b> Chairpersons: Dr. CHAN Wing Sze, Carmen, Dr. LEUNG Tat Chi, Godwin		
11:00 – 11:20	Patient with Coronary Artery Disease: Is He fit for Non-cardiac Surgery?	Prof. YIU Kai Hang
11:20 – 11:40	Perioperative Management of Arrhythmia and Implantable Cardiac Devices	Dr. YUEN Sze Man, Fiona
11:40 – 12:00	Perioperative Management of Oral Anticoagulation and Antiplatelets	Prof. WONG Chun Ka, Emmanuel
12:00 – 12:15	Q&A Session	
12:15 – 12:40	Cardiac Rehabilitation	Prof. LI Sheung Wai, Leonard
12:40 – 12:45	Q&A Session	
12:45 – 14:00	Lunch	
<b>Session 3 - Pregnancy and Cardiac Disease</b> Chairpersons: Dr. CHAN Kam Tim, Dr. LAU Yuk Kong		
14:00 – 14:30	<ul style="list-style-type: none"> <li>Valvular Heart Diseases and Anticoagulation</li> <li>Common Congenital Heart Diseases</li> <li>Pulmonary Hypertension</li> </ul>	Dr. SHEA Puigi Catherine
14:30 – 15:00	<ul style="list-style-type: none"> <li>Arrhythmia in Pregnancy</li> <li>Hypertension and preeclampsia</li> <li>Peripartum Cardiomyopathy</li> </ul>	Dr. CHAN Chin Pang, Gary
15:00 – 15:10	Q&A Session	
15:10 – 15:30	Afternoon Break	
<b>Session 4 - Systemic Diseases and the Heart</b> Chairpersons: Dr. LO Ka Yip, David, Dr. WONG Shung Yee		
15:30 – 15:55	Rheumatological Disease and the Heart	Dr. IP Ling Ling
15:55 – 16:00	Q&A Session	
16:00 – 16:25	Endocrine Diseases and the Heart	Dr. WOO Yu Cho
16:25 – 16:30	Q&A Session	
16:30 – 16:55	Examination	Dr. WONG Shung Yee
16:55 – 17:00	Round Up & Closing Remarks	Dr. WONG Shung Yee
