HONG KONG CORE CARDIOLOGY CERTIFICATE COURSE II

ORGANIZING COMMITTEE

- Dr. LAU Yuk Kong (Chairman)
- Dr. TSUI Kin Lam (Co-chairman)
- Dr. WONG Chi Yuen, Eric (Co-chairman)
- Dr. CHAN Chi Kin, William
- Dr. CHAN Yu Ho
- Dr. Thomas TUNGGAL (Co-chairman)
- Dr. CHAN Ngai Yin
- Dr. WONG Shung Yee

BACKGROUND

One of the most important missions of Hong Kong College of Cardiology (HKCC) is to promote the training and standard of our cardiology professionals so as to translate into better clinical patient care.

In view of the vast and tremendous explosions in knowledge with ever increasing new advances, it is becoming increasingly difficult for cardiologists and fellow trainees to stay abreast and keep up to date on core knowledge as well as new advances.

However, the crust of quality patient care depends highly on core clinical knowledge and experience. Therefore, HKCC determines to launch this first-of-its-kind certificate training course. We are pleased to have Hong Kong Public Hospital Cardiologists Association (HKPHCA), which shares similar aims, to co-organize the course.

GOAL

The goal of the course is for our cardiology professionals to enhance their core cardiology knowledge and skill in day-to-day clinical practice.

COURSE DESCRIPTION

The Course consists of 9 modules, each of one-day duration, over the period of 3 years. It provides a comprehensive broad base and up-to-date review of clinical diseases and the management. Topics will include general cardiology, coronary artery disease, arrhythmia, valvular & pericardial disease, heart failure & cardiomyopathy, congenital heart disease, hypertension, perioperative consult, clinical electrophysiology, core echocardiographic & interventional knowhow & tips, critical cardiac care, and pearls of wisdom from the experts. Approach to common symptoms, intelligent use of investigations and tips & tricks in intervention & device usage will be highlighted. The course also serves as good review for trainees to prepare for cardiology examinations. All cardiologists in clinical practice will benefit from the course.

TARGET PARTICIPANTS

Cardiology trainees and cardiologists are both welcomed. Due to limited capacity to allow more interaction, cardiology fellows in training will have priority for enrollment.

CERTIFICATION

A short examination will be held at the end of each module. Delegates passing the examination will get a certificate of that module. Upon completion and passing examination of at least 6 out of 9 modules, delegate will get a certificate for the course.

REGISTRATION

Registration fee of HK\$200 per head per module would be charged (for HKCC/ HKPHCA members, subject to availability). Cardiology member trainees followed by fellows of HKCC/HKPHCA will be given priority for registration before 13 January 2025. If delegate pass an exam of a module, his/ her registration fee for the next module that he/ she enrolls will be waived (i.e. not necessarily the subsequent module), subjected to successful enrollment under the limited seat capacity. Please scan the QR code and make your registration online. Successful registration will be confirmed by email.

HONG KONG CORE CARDIOLOGY CERTIFICATE COURSE II

Module 7: "Critical Cardiac Care, Echo in Daily Practice, Aortic Disease and Cardio-Oncology"

26 January 2025 (Sunday) | Cordis Hong Kong

Program Co-Directors: Dr. CHAN Yu Ho, Dr. LAU Yuk Kong, Dr. WONG Chi Yuen, Eric, Dr. WONG Shung Yee

TIME	TOPICS	SPEAKERS
08:30 – 09:00	Registration Starts	
09:00 – 09:05	Opening Remarks	Dr. WONG Chi Yuen, Eric
Session 1 - Critical Care for the Cardiologist I Chairpersons: To be confirmed		
09:05 – 09:30	Hemodynamic and Volume Assessment in CCU/ICU	Dr. FONG Man Chi, Natalie
09:30 – 09:55	Pharmacological Support in Hypotensive/Shock Patient	Dr. TSUI Kin Lam
09:55 – 10:20	Respiratory & Ventilation Support	Dr. TSANG Hin Hung
10:20 – 10:45	ECMO & troubleshooting <ul style="list-style-type: none">• Basics• Risks & benefits• Indications & patient selection• Monitoring, troubleshooting & weaning	Dr. NG Wing Yiu, George
10:45 – 11:15	Morning Break	
Session 2 - Critical Care for the Cardiologist II Chairpersons: To be confirmed		
11:15 – 11:30	Impella: Indications, Technique & Groin Care	Dr. CHAN Yu Ho
11:30 – 11:45	IABP: Indications, Set-up & Troubleshooting	Dr. FUNG Chi Yan, Raymond
11:45 – 12:05	What You Need to Know and Look for With Echo for Medical Emergency & Urgency	Dr. LAM Chun Wai, Willis
12:05 – 13:05	Lunch	
Session 3 - Everything You Need to Know About Echocardiography in Daily Clinical Practice Chairpersons: To be confirmed		
13:05 – 13:25	Optimization of Echo Images and Echo Artefacts	Dr. LAM Chun Wai, Willis
13:25 – 13:50	Common Mistakes in Echo Measurement & Assessment (M mode, 2D & doppler)	Dr. WONG Chi Yuen, Eric
13:50 – 14:05	Advance Echo <ul style="list-style-type: none">• Contrast Echo	Dr. KAM Ka Ho, Kevin
14:05 – 14:30	<ul style="list-style-type: none">• 3D: Technique and Image Acquisition	Dr. KAM Ka Ho, Kevin
14:30 – 14:55	<ul style="list-style-type: none">• TEE: Technique and Image Acquisition	Dr. HO Mei Han, June
14:55 – 15:25	Afternoon Break	
Session 4 Chairpersons: To be confirmed		
15:25 – 15:55	Aortic Dissection and Aneurysm: Surgeon's Perspectives	Dr. CHUM Hoi Leong
15:55 – 16:25	Cancer and Cardiologists: Cardio-oncology	Dr. CHAN Wing Sze, Carmen
16:25 – 16:55	Examination	Dr. WONG Shung Yee
16:55 – 17:00	Round Up & Closing Remarks	Dr. WONG Shung Yee

- The programme may be subject to change without prior notice.
- The decision of Hong Kong College of Cardiology and Hong Kong Public Hospital Cardiologists shall be final and conclusive.
- Please contact Hong Kong College of Cardiology at enquiry@hkccchk.com if you have any query.
